**Mr. Anil Bagane**

**Ex.Director**

we give a harmonious personality I am extremely happy to know that the department of Civil Engineering is bringing out the Newsletter. Today, the role of a college is not only to pursue academic excellence but also to motivate and empower the students to belief long development to our students through meditation and spiritual lectures to keep their body, mind and soul.

**Mr. B.S. Tashildar**

**Principal**

I am happy to note that the department of Civil Engineering is publishing its first newsletter for year 2021-

22. I appreciate the efforts taken by the editorial board in compiling useful information & activities by department. This clearly reveals that the department is trying to expanding all spheres of academics, co-curricular and extracurricular activities under the guidance of HOD.

**Mr. A.B. Jadhav**

**HOD**

Sharad Institute of Technology, Polytechnic has always been dedicated in its effort in bringing dynamism into lives of every student. The Civil engineering program is committed to foster in its students the pursuit of individual excellence and participation in the academic, spiritual, cultural & social Activities to make them involve as all-rounder. Learning should be based on doing things and not merely knowing things. The knowledge that you gain, the fine qualities that you imbibe and the technical skills that you learn to apply will be your major contribution to your parents, to the society and to the nation. It gives me immense pleasure to come up with yet another issue of Program newsletter. I congratulate all the team members for their constant efforts in launching this news letter. I am also very grateful to our Management & Principal for their valuable support and encouragement.
