Hon. Ex. Director's Message:-

Mr. A. A. Bagane

I cordially pass on good wishes to all stakeholders and faculties of civil engineering department for their benevolent initiative to embark on newsletter. Newsletter of civil Engineering Department is carnival of student's versatile achievement and various measures which entail proper trade fair in the form of news letter to enrich their appetite of composition skills. Present edition is cherished with manifold events and activities conducted during last 2 semesters. Finally I anticipate that series of news letter will prove to be the fountain head of knowledge in the days to come and will be short hand for comprehensive acknowledgment.

Hon. Principal's Message:-

I feel very much pleased to know that department of Civil Engineering is coming out with its newsletter to provide a platform for student's creativity which they display in departmental events. I express my best wishes to their novel initiative to enhance the departmental performance by providing new foundation to achievements of students and faculty. I wish that they will carry on publication on flag shipping their deeds in newsletter.

Mr. B. S. Tashildar

From the HOD's Desk.....

Mr. S. K. Bhavikatti

Sharad Institute of Technology, Polytechnic has always been dedicated in its effort in bringing dynamism into lives of every student. The department of Civil engineering is committed to foster in its students the pursuit of individual excellence and participation in the academic, spiritual, cultural & social

Activities to make them evolve as all-rounder. Learning should be based on doing things and not merely knowing things. The knowledge that you gain, the fine qualities that you imbibe and the technical skills that you learn to apply will be your major contribution to your parents, to the society and to the nation. It gives me immense pleasure to come up with yet another issue of department newsletter.

I congratulate all the team members for their constant efforts in launching this news letter. I am also very grateful to our Management & Principal for their valuable support and encouragement.

Best wishes to all of you for your future...

From the Editor's Desk.....

Greetings to faculty, students and friends!

It gives us an immense pleasure in bringing out this issue of our First Departmental Newsletter [2014-15].

We hope this newsletter will provide a brief report of all activities conducted by the faculties and students of Civil Engineering Department during the academic year 2014-15.

	1	Alase Vishal B.	90.13
	2	Paladia Jiyamal R.	89.18
	3	Demapure Akshay B	84.20

The personality...

Sir Mokshagundam Visvesvaraya

Born: 15 September 1861

Died: 12 April 1962

Sir Mokshagundam was an Indian engineer, scholar, statesman, and the 19th Diwan of Mysore, who served from 1912 to 1918. He received India's highest honor, the Bharat Ratna, in 1955. He was knighted as a Knight Commander of the British Indian Empire (KCIE) by King George V for his contributions to the public good. 15 September is celebrated as Engineer's Day in India in his memory. He is held in high regard as a pre-eminent Engineer of India. He was chief engineer responsible for the construction of the Krishna Raja Sagara dam in Mandya district and chief engineer of the flood protection system for the city of Hyderabad.
